## About the Publisher ...

The Medical Society of the State of New York (MSSNY) is a non-profit organization committed to representing the profession as a whole and advocating health related rights, responsibilities and issues. MSSNY strives to promote and maintain high standards in medical education and in the practice of medicine to ensure that quality medical care is available to the public.

## The Medical Directory of New York State is the only comprehensive reference source of New York physicians and hospitals ...

The 2013-2014 Medical Directory of New York State is a comprehensive resource containing over 46,000 physician listings, as well as hospital listings. Each listing contains the medical school attended and year of graduation, specialty, board certification, fellowships, hospital affiliations, up to 5 health insurance carriers, office addresses, phone numbers, fax numbers, and email address if provided. It also contains a hospital section and resource section of federal and state agencies as well as private insurance carriers and public health agencies that can be used for patient referrals.

## Find the Physician you are seeking ...
