HELP WANTED

PHYSICIANS WANTED TO HELP SHAPE THE FUTURE OF PRIMARY CARE

98point6 is a healthcare technology startup committed to delivering more affordable, accessible, high-quality primary care. To support our mission, the insights of forward-thinking physicians like you are invaluable. Members of our exclusive Primary Care Council have no clinical responsibilities and are compensated for their participation, which requires only a few hours annually. Interested? Learn more and apply today at www.98point6.com/pcc/
