

Complete HIPAA Solution for MSSNY Members

Get this exclusive pair of practical HIPAA tools:

1 Jump start your privacy efforts now

Get all the policies, procedures and forms you need to comply with the privacy rule in the **HIPAA Privacy Workbook and Toolkit**

- ✓ Simplified overview of HIPAA privacy rules, including how HIPAA applies to real-life situations
- ✓ Timesaving sample forms and procedures for every situation
- ✓ Guidance on how to implement "minimum necessary requirements" and "reasonable safeguards," protect patient rights, oversee business contacts, train employees and more

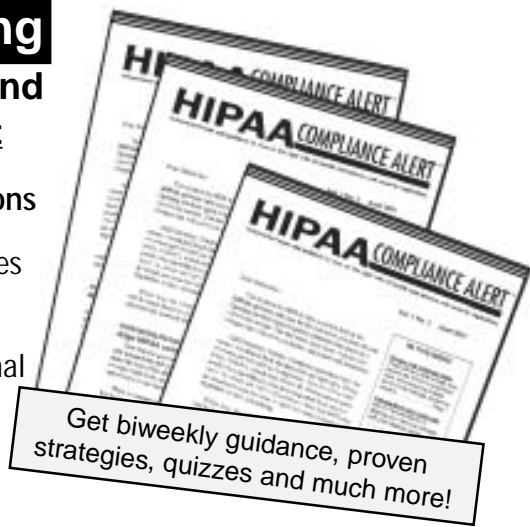

Authors: Wachler & Associates, P.C.,
Nationally known health care law firm

BONUS DISK with electronic templates of 15 key HIPAA forms and checklists; and 14 policies and procedures you can easily modify for your own practice

2 Maintain HIPAA compliance all year long with news, tools and strategies on privacy, security and electronic transactions — in **HIPAA Compliance Alert**

- ✓ Covers all HIPAA areas: privacy, security and electronic transactions
- ✓ Delivers the latest HIPAA news — enforcement actions, legal battles and HHS rule changes — in a concise biweekly report
- ✓ **Compliance Tools:** Get compliance tools in each issue — like internal checklists and training grids — plus BONUS tools sent via email
- ✓ **Strategies to comply:** Learn inside tips from savvy providers, attorneys and consultants who share lessons learned

Get biweekly guidance, proven strategies, quizzes and much more!

INCLUDES FREE MEMBERSHIP in our Privacy Internet Discussion Group. Share tips with hundreds of physicians, privacy officers, attorneys and consultants right from your desktop. Pose your toughest HIPAA questions and get answers fast!
