QUALIFICATIONS

or more of contingent-permanent or permanent competitive service in a title at or above Grade 29/M-3 and eligible for transfer under Section 52.6 of the Civil Service Law.

PROVISIONAL*: a bachelor's degree **AND** seven years professional public health experience in a governmental public health agency or public health program* that receives funding from a public health governmental agency. Of the seven years required experience, **three years must include** supervision of professional staff **and** the following management responsibilities: program planning and implementation, **AND** program evaluation and monitoring, **AND** development and implementation of policies and procedures. The required professional experience must include either:

1. Designing or implementing a public health outreach, promotion, or disease prevention program; **OR**
2. Conducting disease surveillance or a disease control program.

For the purposes of this recruitment, a public health program focuses primarily on the prevention of disease through outreach and public health education or health promotion, including population-based plans of care, not just plans of care for individual patients, or the study of the prevalence or causes of disease through population-based studies.

Examples of non-qualifying experience include, but are not limited to:
